ATTENTION:
RECREATION AND SUMMER CAMP DIRECTORS!

The York County Solid Waste Authority has

HOT SUMMER PROGRAMS For Kids!

The York County Solid Waste Authority offers **FREE** programming at **your recreation location:**

- **Edible Landfill** - Build a landfill using yummy candy!
- **Worm Composting** - Construct a worm bin to compost food scraps!
- **Making Recycled Paper** - Make your own recycled paper! *
- **Waste-to-Energy -** Discover how we turn your garbage into electricity!*

**electrical outlet required*

Or visit us for **on-site adventures** by taking one of our **FREE** tours:

York County Resource Recovery Center * - Learn the true story about what happens to your garbage through the magic of Waste-to-Energy!

**Due to site improvement construction, this tour may not be available.*

Hopewell Area Recreation Complex - *NEW THIS YEAR!* -
Tour the community park built on top of the closed York County Sanitary Landfill and learn about solar energy, local wildlife and landfill construction! Tour concludes at the park pavillion where campers can make an edible landfill! Campers may also bring along a picnic lunch to enjoy on-site!

Looking for a service project for your organization? Check out the enclosed Litter Clean-up Program flier!
